

REMARKS

With the above amendments, the specification has been amended to incorporate the International and European priority applications by reference. A substitute specification in compliance with 37 C.F.R. 1.125 is attached to incorporate Section Headings as well. The attached substitute specification contains no new matter. The claims have been amended to delete original claims 1-11 and to replace them with new claims 12-16. The Abstract has been amended so as to comply with U.S. rules and regulations.

Accordingly, it is believed that the application is in good condition for examination. Questions are welcomed by the below-signed attorney for Applicant.

Respectfully submitted,

GRIFFIN & SZIPL, P.C.
